

PLAYING MEMBERSHIP FEES - PRINCIPLES

INTRODUCTION

Annual player membership fees or season fees are set each year to ensure that the club maintains financial viability to enable it to participate in WA Premier Cricket.

GENERAL

Season fees for both seniors and juniors will be set by the Committee, taking into account external considerations such as fees charged by other clubs and the general economic environment.

When setting the season fees the Committee may at its discretion include additional features in the subscriptions to recover costs, such as wind up tickets or playing/training attire.

Membership fees are required to be paid in full prior to the opening round of the season for either Seniors or Juniors to be eligible for selection.

Players facing financial difficulties are requested to contact the President as early as possible to discuss alternative arrangements.

PAYMENT OF FEES

Senior players are to pay the full season fees unless the player is exempt from paying fees, qualifies for the student/concession fee.

A student/concession fee applies to any senior player who at the commencement of the season is:

- Studying full time at high school, TAFE (state training provider), University or other recognised training institution.
- Undertaking an apprenticeship or traineeship.

Juniors are to pay the Junior season fees as set by the Committee.

Annual fees are to be paid by all senior and junior players by 30 September.

A player is not eligible for team selection until they have paid their season fees in full or entered into an approved Payment Plan and is current with the Payment Plan.

PAYMENT PLANS

A player who is unable to pay full fees by the 30 September due to financial hardship, may apply to the President for a 'Payment Plan' to defer up to 50% of their fees provided that full fees are paid by 1 December.

The Club is required to report all non-financial players to the WACA.

LATE COMMENCEMENT & REFUNDS

A player who joins the club prior to 31st December will pay full season fees.

A player who joins the club after 31st December will receive a discount of 25% on their fees.

If a player is injured prior to 31 December and will not be available for selection for the remainder of the season, the player will be eligible to receive a 25% refund on their fees.

If a player has paid full fees and leaves the club by their own volition or expelled from the club, then no refund is payable.
